BRIDGE PAINTING AND LANE RESTRICTIONS IN LINCOLN
U.S. ROUTE 3/FRANCONIA NOTCH PARKWAY NORTHBOUND

The New Hampshire Department of Transportation announces bridge painting will take place at the U.S. Route 3/Franconia Notch Parkway northbound bridge over the Pemigewasset River in Lincoln.

The work will require daytime lane closures and is scheduled to take place on Monday, September 17 and Friday, September 21, 2001.

A New Hampshire Department of Transportation crew will restrict traffic on the bridge to a single 14-foot wide lane in order to accomplish this work. The lane closure will begin at approximately 7:00 a.m. and last until approximately 3:30 p.m. on September 17 and 21, or until the project is complete.

Plans are to use advanced warning signs, arrow boards, and cones to guide vehicles through the work area. In the event of adverse weather, work may be delayed until the next suitable workday.

Motorists traveling on the U.S. Route 3/Franconia Notch Parkway in Lincoln are asked to use caution while driving through the work zone, as workers and equipment will be present. Minor delays may be expected.
